sustainable design

Pop out the empty
inner to insert a
new refill

Once emptied,
simply dispose in a
curbside PET
recycling bin

ICS-COM230040
60mmD Panwell

ICONS | AMERICA

Beauty has never been so chic and sustainable

Step 1: “Cam action hinge” releases the insert when the cover is fully extended

Step 2: Remove the empty insert

Step 3: Click new refill insert into place, front area first

Experience hassle-free and sustainable beauty with our cutting-edge, 100% PET, refillable compact design developed in collaboration with Eastman.

Beauty consumers are moving towards mindful consumption. Our compact is not only a statement of style but a pledge to reduce waste.

Item # ICS-COM230040:
