The Brains Behind The Beauty

ICONS | AMERICA

Jelly Applicators Showcase

Soft. Squishy. Jelly.

Introducing ICONS America’s newest collection of jelly applicators. The smooth silicone tips deliver a pillowy, gel-soft feel for a soothing experience. Our jelly applicator collection brings functionality, fun, and feeling together in one touch. Ideal for blending, blurring and beautifying lips, cheeks, and face, they are perfect for multifunctional formulations.

Please contact your Business Development Manager for more information.
